Welcome to The Sunny Side—dedicated to recognizing your accomplishments and celebrating your success. Each time we become aware of a story about Days Inn® franchisees that are making news in their local marketplace, we’ll bring you the details!

**Meet Henry Carr, Night Auditor for 28 Years in Dover, N.H.**

The Days Inn hotel of Dover, N.H. is located in a very busy downtown area, and is proud to have a dedicated employee like Henry Carr on their team. Henry has worked for the hotel in Dover for over 28 years as the night auditor and tends to all of the needs of the hotel in the early morning hours, including everything from making late night coffee, answering the switchboard, locating a deck of cards, sending a fax, to getting a very weary traveler settled into his or her room.

When asked about Henry’s service and dedication, general manager Joy Dunphy told us how much Henry means to this hotel. “To say that Henry has been a dependable, competent, and trustworthy employee for twenty-eight years is not enough to describe this dedicated and hard-working gentleman. The tasks he handles are many and varied but each one is important in its own way. Henry treats all of our guests, and fellow staff members, with courtesy, kindness, and respect. We want him to know how very much he is appreciated for all his hard work and dedication,” said Joy. Please join us in thanking Henry for his years of commitment to the Days Inn brand.

**Days Business Alliance Holds Second Annual Habitat for Humanity Day**

This past September, the Days Business Alliance completed their second annual Habitat for Humanity Days following their annual meeting in Dover, N.H. Habitat for Humanity is a nonprofit organization that builds houses with the help of thousands of volunteers from around the world for families in need. The organization was founded in 1976 and according to [www.Habitat.org](http://www.Habitat.org), they “have built over 300,000 houses around the world, providing more than 1.5 million people in 3,000 communities with safe, decent, affordable shelter. “

The Days Business Alliance team volunteered to help with a house that had been donated to Habitat to Humanity for demolition. They worked diligently to remove materials from the home that could be sold in the Habitat for Humanity Re-Store, where second hand items are available at a limited cost and profits are used to build new homes for needy families.

This was a great effort by everyone involved, including Willie Singh, Days Hotel® New York City, N.Y., Christopher Manning Days Inn Hyannis, Mass., Michael Hall Days Inn & Suites® Traverse City, Mich., Mark Nickerson, Days Hotel Boston, Mass., Joy Dunphy, Days Inn Dover, N.H., Nadege Victor, Days Inn Days Hotel Newark, N.J., Dennis Dietz, Days Inn Baltimore Inner Harbor, Md., Jackie Wells, Days Inn Plattsburgh, N.Y., Barbara Atkins, Days Hotel San Diego, Calif., Alison Jones, Days Inn Baltimore Inner Harbor, Md., Prashant Pratapati, Days Hotel Methuen, Mass., Brian Baker, Days Inn Baltimore Inner Harbor, Md., Tina Perry, Days Inns Worldwide, Neerav Dudhwala, Days Inns Worldwide, Jody Stansel, Safemark Inc.. A huge thank you to everyone who participated in helping out this great cause!
